End Extreme Poverty for 450,000 Children in CALIFORNIA

California Leaders: Pass 5 Critical End Child Poverty Plan Tools in 2020

1. Provide a tax credit to create stability for families in extreme poverty.
2. Increase overall housing availability and reduce evictions.
3. Improve access to child care and fair pay for child care workers.
4. Expand community-based and school-based health centers.
5. Continue to improve the cost-effectiveness and coordination of programs supporting families.
